Policy and Procedures

STUDENT FEES AND CHARGES

The Board of Directors recognizes its responsibility to ensure that books, materials, equipment, supplies, and other resources necessary for students' participation in the educational program of Da Vinci RISE High are made available to them at no cost.

No student shall be required to pay a fee, deposit, or other charge for his/her participation in an educational activity which constitutes an integral fundamental part of the educational program, including curricular and extracurricular activities. (Education Code 49010, 49011; 5 CCR 350)

As necessary, the Board may approve fees, deposits, and other charges which are specifically authorized by law. When approving such fees, deposits, or charges, establishing fee schedules, or determining whether waivers or exceptions should be granted, the Board shall consider relevant data, including the socioeconomic conditions of the students' families and their ability to pay.

The prohibition against student fees shall not restrict Da Vinci RISE High from soliciting for donations, participating in fundraising activities, or providing prizes or other recognition for participants in such activities and events. The Chief Executive Officer or designee shall emphasize that participation of students, parents/guardians, school employees, volunteers, or educational or civic organizations in such activities and events is voluntary. Da Vinci RISE High shall not offer or award to a student any course credit or privileges related to educational activities in exchange for voluntary donations or participation in fundraising activities by or on behalf of the student. It also shall not remove or threaten to remove from a student any course credit or privileges related to educational activities, or otherwise discriminate against the student, due to a lack of voluntary donations or participation in fundraising activities by or on behalf of the student.

The Chief Executive Officer or designee may provide information or professional development opportunities to administrators, teachers, and other personnel regarding permissible fees.
